- Eating and drinking is prohibited during transportation due to the possibility that other students may have food allergies.
- All students are expected to behave appropriately while on the bus. Student can be suspended from transport services if excess incidents are reported.

- Should your child miss the vehicle, the transporter cannot be recalled. Transportation then becomes the responsibility of the parent.

We hope that your child has a productive and happy school year. Please do not hesitate to contact me with any transportation concerns or questions at transportationrequests@regionv.org
