

***Memorial School Back To
School Night
2021-2022***

Memorial Community:

Welcome to the Memorial Back to School Night Capsule. This capsule was developed for those who were not able to attend our in person classroom presentations. The teachers are broken down by grade level and we have also provided you with everyone's email addresses. Administration, staff and other points of information are also included in this program.

As always, feel free to reach out to any teacher or staff member throughout the course of the year for specific student-centered discussions and please consult our website and email communications consistently throughout the school year.

On behalf of the faculty and staff of Memorial, welcome to the 2021-22 school year and to our Back to School Night Capsule. Please click on the highlighted area to access the videos.

Enjoy!!
