*With summer construction on the horizon for the next few summers, the district will be streamlining the calendar so as to end classes as early as possible in June to allow for greater time allotment for construction in the summer months. This calendar is also fully aligned with the Becton calendar, specifically in regard to holidays and extended breaks, which allows for more efficiency with transportation as well as family schedules for those families who have K-8 Maywood and Becton students.*

*Please also note that schools are OPEN and will be FULLY VIRTUAL on Election Day (Nov. 7).*
