

Maywood Family:

Welcome to the 2020-21 Back to School Night programs for Memorial and MAS. As noted in prior communications, this year's Back to School Night will be unlike any other, and we hope it to be the first and last of its kind. The typical BTSN program allows parents the chance to walk in the shoes of their children for an evening and "attend classes" in their children's classrooms, while also being able to walk the hallways, visit places like the cafeteria, media center and specials' classrooms. Because of the times we are living in we are unable to provide such a program, and therefore we instead offer you a glimpse into our schools virtually. You will find an MAS and a MEMORIAL BTSN doc that houses key school based information as well as individual teacher BTSN videos.

We ask that you "participate" in the BTSN program when it is convenient for you to dedicate time, instead of having to lock in to a date and time that may not be ideal. As always, feel free to reach out to any teacher or staff member throughout the course of the year for specific student-centered discussions and please consult our website and email communications consistently throughout the school year.

On behalf of the Board of Education, faculty and staff of both Memorial and MAS, welcome to the 2020-21 school year and to our Back to School Night program.

Enjoy!!

Micahel Jordan
