Full District Virtual Day

Asynchronous for Students

Students will work from home with teacher guided work.

Teacher Check-Ins will take place throughout the day.

Summer Program

The District is finalizing plans for the summer remediation/recovery program that we noted would take place in prior communications. The program will take place in the morning, in person, during the month of July. Please note that this program will be mandatory for those students who are identified as in need of such remediation, and it will be optional for those who are interested. Further information will be provided shortly.

Student Classifications (as of 4/21/21)

	MAS	MEM	DISTRICT
Total Students	556	386	942
In Person	387 (70%)	294 (76%)	681 (72%)
Opt Out	169 (30%)	92 (24%)	261 (28%)

NJSLS Assessments

NJSLS Assessments have been formally canceled in New Jersey. In the interim all districts have submitted progress indicators for all students and all districts will be responsible for proctoring the Start Strong Assessments in September and October. Details will be forthcoming about the specifics of that assessment.

Grade 1 OPT OUT Students

This message is only for grade 1 virtual students. The first grade team has arranged materials for virtual student pick up. These materials can be picked up at Memorial School during school hours of 9am-3pm. Please come to the Memorial School main entrance with a card that has your child's name and teacher on it for the necessary materials.

Grade 4 OPT OUT Students

Grade 4 is in need of a Language Arts materials pick up. Materials may be picked up on Thursday (4/29) and Friday (4/30) between the hours of 9 am and 3:45 PM in the MAS main office.

District Calendar 2021-2022

The final touches are being made to the District Calendar for the 2021-2022 school year. The final version will be approved at the May BOE meeting. However, please note that the report date for students will be AFTER Labor Day.

Retirement Recognition - Mrs. Corso

The Maywood BOE approved formally approved the retirement (effective at the end of this school year) of MAS teacher, Mrs. Pam Corso, at its regular public meeting last week. The consummate professional, we wish Mrs. Corso well in her retirement following 18 years of educating students in Maywood, and a total of 29 years overall in education !

New Teachers

The Maywood Board of Education formally approved the hiring of two teachers for the 2021-2022 school year at its public meeting this past week. We congratulate and welcome both Ms. Harrington and Remo. Both of these women are playing critical roles as maternity leave replacements this year during unprecedented time. With retirements and section counts we are able to bring them into the family as full time teachers starting in September. The District prides itself on developing from within and we are thrilled to bring outstanding educators on board who served us in leave positions this past year.

MAS Students of the Month

Congratulations to the MAS Students of the Month for March, recognized at the Board of Education meeting this past week.

Autism Awareness Month

April is Autism Awareness Month. As is the case every year, Maywood looks to educate and inform all students and staff on Autism Awareness not only because of our incredible MAP program and relationship with the South Bergen Jointure Mentoring Program but also because it is important to understand all of our differences and how everyone plays a role in valuing all. Let's show our collective support for Autism Awareness Month by wearing BLUE each Monday of April!!
