

District Update January 28, 2021

Phase 3 Update

The District will convene its Reopening and Pandemic Response Committees over the course of the next week to prepare and plan for a Phase 3 roll out. As noted, we were looking at the end of January as being the conclusion of Phase 2, but with the school closure of a few weeks ago, we are now setting the opening of Phase 3 for a tentative date of the week of February 15, following our mid winter break.

Although the committees will work through the decisions as to Phase 3, the preliminary plan will center around initiating an increase from 2 days of in person learning to 4 or 5 with no cohorts. The schedule of classes would remain the same for the beginning of Phase 3 with only the number of days in person changing.

More info will follow next week with a corresponding parent declaration form as to whether their child will be hybrid or opt out beginning in Phase 3.

Calendar Update

Wednesday, February 10

Unplugged Afternoon

Friday, February 12

8th Grade Portraits

In person schedule to be emailed this weekend.

Saturday, February 13

8 am - 11 am

Pick up hardcopy materials. A schedule will be forthcoming

Monday & Tuesday, February 15 & 16

Schools Closed

Health Protocol Reminders

Please note that any and all medical issues/reports from parents should be emailed to the principal and the nurse of the school your child attends. Although we know the natural inclination is to email your child's homeroom teacher, we specifically have set up the protocol of emailing the principal and nurse so that nothing is missed. Teachers are teaching throughout the day and may not have the chance to check an email with such important information. Rest assured the appropriate staff will be alerted to any information that needs to be provided, but we ask for strict adherence to the reporting of medical information to the following.

Include the following two people at Memorial

mhalligan@maywoodschoools.org

sdunn@maywoodschoools.org

Include the following three people at MAS

mjordan@maywoodschoools.org

ktimmins@maywoodschoools.org

dzuccaro@maywoodschoools.org

K-7 Student Photos

We have secured April 13 & 15 for K-7 student photos. A detailed plan is forthcoming.
