

District Update January 9, 2021

Resumption of Cohort In Person Schedule

Just a reminder that we start back up our cohort in person instruction as of January 11th. Those attending in person whether in cohort A, B or both will as always receive the Morning Health Screening form at 6 am each day and should complete it prior to attendance at school. We look forward to seeing everyone next week.

PTO Meetings

PTO meetings are scheduled for next week in both schools. They will both take place via googlemeet.

MAS - January 12 @ 6:30 PM - <https://meet.google.com/vqe-tiuv-ayy>

MEM - January 14 @ 6:30 PM - link will be forthcoming

Calendar Reminder

As per the district calendar, schools are CLOSED on Monday, January 18.

Health Protocol Reminders

Symptoms (MANDATORY IN ORANGE LEVEL)

If your child is exhibiting any of the COVID-19 symptoms on the morning health pre screening, please keep the child home and report the information to the school nurse.

Students with COVID-19 symptoms are to remain home until one of these two conditions are met:

- 1) At least fourteen calendar days have passed since symptom onset
- 2) They have a negative COVID-19 PCR Test. Rapid tests may no longer be used. Note that an alternative diagnosis will no longer be accepted for a return to school.

Siblings (MANDATORY IN ORANGE LEVEL)

If a student remains home because he/she is experiencing COVID-19 symptoms, any siblings must also remain home until a negative COVID-19 test is confirmed for the symptomatic sibling. The same goes for any other member of the house who may be exhibiting symptoms. In other words, if ANYONE in the house has COVID-19 symptoms, all Maywood students who live in that house should move to remote learning until a negative PCR test is confirmed for the symptomatic family member.

Close Contact (MANDATORY in ORANGE LEVEL)

If your child has been determined to be a Close Contact (within 6' for 15 cumulative minutes over a 24-hour period) of someone diagnosed with COVID-19, please keep your child home and notify your child's principal and school nurse.

COVID-19 Tests (MANDATORY IN ORANGE LEVEL)

If your child goes for a COVID-19 test, whether because of symptoms or not, please share that information directly with both your child's school nurse and the building principal. Students cannot return to school until the negative PCR test result is confirmed.

School Reporting Protocol (Reminder)

Please note that for consistency purposes and a centralized approach to info gathering, all parents should email the following personnel any and all medical/health information relating to their child, COVID testing, close contacts etc. We ask to email only the following people so that nothing gets lost in the shuffle.
