District Update - July 9 School Supplies

The Maywood Avenue School and Memorial School PTOs are once again offering customized school supply kits for the 2020-2021 school year through [Schooltoolbox.com](https://schooltoolbox.com). Given current circumstances, this is a quick and easy way to shop for school supplies from the convenience of your own home in a no-contact manner and without having to shop around at stores. Kits are pre-customized by our teachers and per grade level (see attachments for pricing info), but they can be customized even further by you, so you will never get any supplies that you don't need or want! You can also customize your kit with add-ons, such as backpacks, lunch bags, etc., or remove items that you don't need. Just go to [Schooltoolbox.com](https://schooltoolbox.com) (see link below) and enter "Memorial School Maywood" or "Maywood Avenue School Maywood" in the search box. Also, for every supply kit sold, School Tool Box will donate a meal to a starving child through their partnership with the Feed My Starving Children Foundation! Ordering starts now and will be available for the full duration of the summer, but please allow 10-14 days for shipping. Get your school supply shopping out of the way and enjoy the rest of your summer!!
