

Maywood School District Veterans' Day Recognition

It has been a tradition that both schools recognize our Veterans during in school ceremonies. This year we cannot partake in such ceremonies for obvious reasons. However, that doesn't mean that we forget about the importance of the day and the men and women the day represents. We would like to honor our Veterans by announcing their names during morning announcements as a tribute to their service. We plan to proudly announce their names on Veterans Day (November 11) and the remainder of the week. We would like to announce the name of the Veteran, where he or she served and in what branch and how that hero is either related to a student, staff member, family, friend or community member. The importance of the recognition is to of course honor the Veteran but it is also to show our students how Veterans are so much a part of many of our lives, and we simply may not even know it.

We ask that you complete the form below for each Veteran you would like to honor. It would then be our pleasure to justly recognize them this week for our students and staff, even in this small way.

Michael Jordan

Superintendent of Schools

Please complete the form below for each Veteran you would like to recognize.
