

MAYWOOD

Parent Involvement Policy

Statement of Purpose

The Maywood School District is dedicated to providing quality education for every student in our district. To accomplish this objective, we will develop and maintain partnerships with parents and community members. Each student will benefit from supportive, active involvement of all members of the population. A positive link between home and school will create the most conducive learning condition for every child. These open communication lines will expand and enhance learning opportunities for everyone involved.

Grade level learning objectives and goals will be distributed to all parents at the beginning of the school year. All students will be expected to work toward mastering these objectives. Our district recognizes the fact that some students will need extra assistance to achieve their full potential. The extra assistance is available to students through the Title I program and various other educational services offered through the district.

The Maywood School District intends to include parents in all aspects of the Title I program. Students will be given every opportunity for success through the development and enhancement of the home/school partnership.
