MATH:

Summer 2021 Grade4 Math Google Classroom

Code: aofv4hp

The Math Google Classroom will include the following:

- A suggested summer calendar
- Weekly timed multiplication tests on 99math.com **(required)**
- Grade 3 IXL skills **(required)**
- Grade 4 IXL skills for enrichment **(optional)**
- Additional Math websites **(optional)**

4th grade incoming resource students:

If you did not receive a hard copy of your summer work, you can pick up a hard copy of your summer work in the **MAS** front office. This work is also available in PDF form on Google Classroom code **uc6nksf**. Math and LA are both accessible in this classroom.

You can either print out the PDFs on your home printer and complete them, or you can open the documents in Kami and complete them on-line.

Thank you!!

Have a great summer!!

Class code:

Music:

First, listen to as much music as you can and all different kinds!

Please review note values (quarter notes, 8th notes, 16th notes, etc.). This will make the start of your 4th grade music class much easier.

Grade 5

For students who will be 5th graders this coming school year

Math

Each Monday, starting on July 5, 2 IXL lessons will be posted in the Google Classroom, for you to complete during that week. Please try to stick to the schedule unless you are on vacation a particular week, then catch up the following week.

The code for the Google Classroom is **vk66atp**

It is very important for you to continue practicing the multiplication facts. Here are a couple of good websites to use:

<https://mrnussbaum.com/great-american-multiplication-challenge-online>

<https://home.xtramath.org/>

5th Grade Language Arts

****PLEASE DO NOT READ- Number the Stars by Lois Lowry, Wonder by RJ Palacio or Mrs.Frisby and the Rats of NIMH by Robert C. O'Brien*****

Summer 2021 Grade 5 Google Classroom: Assignments will be posted weekly for Math and Language Arts. You will receive a copy of Skinnybones that will be one of the books you are reading this summer. The other book will be a choice book. Please read ALL of the directions carefully on the Google Classroom.

<https://classroom.google.com/c/MzQ5MDEzNjY0NDU0?cjc=vk66atp>

Class Code: vk66atp

Each Monday, on Google Classroom, you will see an Announcement and a Post for that week's assignment. If you do not see the Announcement or Post, please refer to the "LA Summer Assignment Directions" Google Doc.

Here is another great resource for finding the perfect book to read!

You can use this to review basic rhythms, listen to the song “Pancake,” and practice scat singing (perhaps a great way to relieve boredom on a rainy day).

Listen to as much music as possible and different kinds. Remember our DECADES during trivia (music from the 50s, 60s, 70s and on and on).

Grade 6

For students who will be 6th graders this coming school year

LANGUAGE ARTS

Join the Incoming 6th Grade Summer Classroom for Language Arts.

CODE: 2v3usp7

The classroom contains links to specific assignments that must be completed as well as a copy of the packet you received in school.

You should have received a copy of the novel *Hatchet* by Gary Paulsen and a packet of information with instructions, a suggested schedule, and a few assignments. Please follow all instructions in the packet and on Classroom.

As always, READ...READ...READ! Read *anything*: fiction, non-fiction, graphic novels, comics, poetry, magazines - it doesn't matter. Read something new or re-read an old favorite. What's important is you read what you enjoy and you read as often as possible!

My favorite way to find something new is to go to Barnes and Noble's website. I suggest clicking on the Kids Ages 9-12 or the Teens section and check out their Summer Reading and/or Bestseller Lists. The site Goodreads.com is also a great place for recommendations.

You can use this to review The Beatles' material (like "Lucy in the Sky With Diamonds") and the National Anthem material. Please review time signatures and note values (quarter notes, 8th notes, etc.). We have a lot planned for 6th grade and we don't want to start off the year with you not knowing what a quarter note is!

Listen to music as much as possible and different kinds! (rock, jazz, funk, disco, music from India, from Japan, from Cuba, from Bulgaria!)

Grade 7

For students who will be 7th graders this coming school year.

Language Arts Google Classroom Code: c66wtq5c6

Please see the above 7th grade Summer Google Classroom page for specific assignments.

Required reading- *The Lion, the Witch, and the Wardrobe*

*****Please do not read- *Among the Hidden*, *A Long Walk to Water*, *The Outsiders*, *Fever 1793*, or *Chasing Lincoln's Killer*. We will be reading these novels during the year.*****

Please read as much as you can! Read both fiction and nonfiction. You can use the Barnes and Noble website or Goodreads.com for suggestions on appropriate grade level novels. Remember to think about/annotate for the story elements (characters, setting, plot, conflict, theme) as you read works of fiction. Think about the main idea and author's purpose for nonfiction texts.

Music

Two things you can do: 1) If you are in choir, SING! Any chance you get. If you play an instrument, play it and practice. 2) Most importantly, listen to music. The following songs or pieces are just some suggestions from what we have done this year. Many of these we will bring into next year. All can also be found in Google Classroom as well as easily found on any streaming platform (Spotify, Amazon, Apple music, etc.)
