*How to Manage Stress & Optimize Resiliency During
Uncertain Times*

Dr. Chait has worked with the Maywood School District for the past three years in the capacity of Teacher Wellness Programs. We have this opportunity to introduce him to our parent community and beyond with this presentation. The main goal, among many, is to assist you in discovering two simple strategies to help reduce your stress and maximize your resiliency.

We ask our parent community to strongly consider attending this virtual presentation scheduled for 7 pm on the evening of Tuesday, November 17th.
