

Schedule Alert

Monday, February 8, 2021

The Maywood School District will operate on a **FULL VIRTUAL schedule for Monday, February 8**. As noted in Friday's email, Cohort A will attend in person on Tuesday and Wednesday this week and Cohort B will remain as usual as in person on Thursday and Friday.

The Monday decision was made in part because we do not want our custodial and maintenance staff to have to travel to the buildings in these conditions nor do we want to risk anyone's safety by coming to school Monday morning with the freezing conditions on the road and walkways. Lastly, we would have most likely opened Monday using a delayed opening to allow for cleanup. However with our 1230 pm dismissal time during this hybrid schedule it would not be prudent to come in at 10 am to be dismissed again at 1230 pm.

Instead we will err on the side of caution and use the state allowed shift to a virtual day of schooling counting towards our 180 days. We thank you for your anticipated cooperation and hope everyone remains safe. It seems like we will be conversing even more later this week as the weather seems like it is pretending like it is 2020 and throwing more chaos into the situation.

Take care.

Recap
Monday is Full Virtual
Tuesday and Wednesday Cohort A In Person
Thursday and Friday Cohort B In Person
