Maywood School District Code of Conduct

Overall Responsibilities

Student Responsibilities

Since the Constitution and State law safeguard students' rights, each student has the responsibility to protect his/her and other's right to an undisturbed education. All students shall be expected to follow the rules and regulations of the Board of Education and school administration. Students shall be required to observe the customary rules of courtesy and politeness, which contributes to good order as established by the acceptable standards of school and community.

Parent Responsibilities

Discipline is the primary responsibility of the parents and the student while attending school. The behavior of students attending our school shall reflect standards of good citizenship demanded of members of a democratic society. It is the parent's obligation to develop in the student good behavior habits as well as proper attitudes toward school. To ensure student's success, parents should, at regular intervals, check with officials concerning that child's school conduct.

School Responsibilities

It is the school's responsibility to provide experiences that will enable the student to function as a good citizen. Policies and measures of discipline shall be employed to establish a favorable learning environment free from distractions and misbehavior.

Harassment, Intimidation & Bullying

The BOE prohibits acts of harassment, intimidation and bullying. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation and bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment; and since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying.
