Children are eligible to register if they turn 5 on/or before October 1, 2015. Parents/guardians **must pick up the registration packets at the Memorial School Main Office prior to registration. You must be a resident of Maywood to register your child in the Maywood Public Schools.** On the day of registration please bring the following forms:

- Your child's original birth certificate or passport
- Four proofs of residency (Please see list below)
- Registration Form
- ESL Home Language Survey
- District Media Consent Form
- Kindergarten Survey
- Recent photo of your child with his/her name on the back of the photo
- Immunizations Record
- Health History Questionnaire
- Physical Examination Form - Current for the upcoming school year.
- Medical Confidential Form
- If applicable, please also present custody or court documents.

The state requires that parents/guardians of any pupil attending public school submit documentation that the child has the mandatory immunizations. Documentation means a written statement from a physician, clinic, or an official school transcript, which lists immunizations, and the specific dates each were given. If the school is unable to translate foreign immunization records, it will be the responsibility of the parent/guardian to secure English translations of those medical records by a physician. All immunization records must have the physician's signature stamp.

Children will not be permitted to enter school in September without all medical requirements being met. Please submit all medical requirements on the day of registration.

Please note that parents who wish to enroll (transfer) their child into grades one, two, or three for 2015-16 may also take advantage of these registration dates and times. If your child is already enrolled in our present kindergarten program, it is not necessary to re-register for first grade.
