

Maywood Integrated 4 Year Old Program

Preschool Registration

The Maywood School District is accepting applications for four year old students in its Integrated Preschool Program for the 2014-2015 school year. The integrated preschool incorporates the education of special education children with general education preschoolers, following general education curriculum standards. Special education students are placed in the program through an evaluation process performed by the Department of Special Services.

All children in the program attend classes five days a week. The anticipated hours are 12:15 to 2:45 p.m. Class meets Monday through Friday.

To be eligible, a general education student must turn four years old on or before Oct. 1, 2014. A birth certificate, copy of immunizations, and a medical exam will be required of those students admitted to the program. Tuition for the program will be \$2,650.

Applications will be accepted February 3 to March 4. If necessary a lottery will determine the students who participate, if the number of applicants exceeds the available spaces. The lottery drawing will take place on March 21st at 3:05 in the Maywood Ave School Library. Parents of applicants are invited to attend but need not be present. A waiting list will be created in the order of the draw. Parents will be notified by mail no later than March 28th if their child has been accepted into the program.

Applications are available at www.Maywoodschoools.org or can be picked up at the front office at either Memorial School or Maywood Avenue School.
